## Schofield Sends In Entries For Big Race Meet June 10

Mounted Regiments Will Enter Number of Events—Mohawk Boy Will Be Favorite in One Mile Race Against Ampqua, Oneonta, Harvester and Others—Eight Entries for Roman Race From Post—Enlisted Men Take Interest

(Special Star-Bulletin Correspondence) SCHOFIELD BARRACKS, May 26.—The two mounted regiments at Schofield are to well represented in the race meet to be held at Kapiolani Park, June 10 to 12. Both morning and afternoon the race course to the north of the post is the scene of busy preparation.

Five officers of the 1st Field Artillery are preparing to enter the mile and a half hurdle race for officers of the army and National Guard. Lieuts. Hoyle, McCleave and Paine are training government horses for this race. Lieut. T. C. Martin is working out his thoroughbred mare Galilee, one of the speediest horses at Schofield. Capt. Glassford expects to put his thoroughbred mare Tuolumne in this race and perhaps in some of the flat races. Lieut. Hoyle will ride Dido, that won the enlisted men's steeplechase at Schofield last August.

Lieut. W. S. Martin of the 4th Cavalry will enter the hurdle race with Bone, a fast horse belonging to Troop B, that came in fifth in the steeplechase last August. Lieut. Culum and two or three other cavalry officers are also expected to ride. Mohawk Boy the favorite.

Great interest is being taken in the training of Mohawk Boy, a thoroughbred gelding, owned by Lieut. Edgar Whiting, that is entered in the two principal flat races. Mohawk Boy has never been beaten at Schofield and it remains to be seen how he will stack up against some of the fast ones that are now being trained at Kapiolani Park. Lieut. Whiting is on leave, but his horse is receiving excellent training under the supervision of an old hand at the game, Color Sgt. James Alexander, 4th Cavalry. (Special Star-Bulletin Correspondence) FOR SHAFTER, May 26.—Engineers, 7 Signal Corps 3; L Company 8, K Company 7.

Two games of the wild and woolly type were served for the edification of the Fort Shafter fans yesterday afternoon. The Engineers trimming the wig-waggers by a 7 to 3 score, and Company K succumbing to the aggregation from L Company by the count of 8 to 7. The first game between the Bridge Builders and the Wig-waggers was a rather dull one, the Engineers having the best at all times. The second game—K Company vs. L Company, was full of excitement from start to finish and kept the rosters of both teams in a frenzy of excitement until the last batter was out. A record crowd of 900 fans was out to see the teams mix.

Engineers in Walk-Away.

The Engineers appeared on the diamond on schedule time, but the Wig-waggers were about 45 minutes late, due to a routine inspection. Some of the fans gave them some free advice, suggesting they inspect their bats and locate any holes in them and plug them up, as they could not connect with the ball. Be that as it may, they could achieve nothing in their half of the first, but the Engineers made things hum from the start, gathering five runs in their half of the first. Zuber greeted Danner with a nice single, promptly stole second, which seemed to disconcert the pitcher, who walked the next two men—Beeler and Cain, when up comes Stockey, their leading slugger, and slams a homer in right center, good for four runs. McGavin came up for a cns-sacker, plied second and scored when Hogue sent a one-base drive into left.

Hogue had the better fielding support and allowed the fewer hits in this game, which tells the tale of his victory. However, Stockey's opportune batting was also a large degree responsible for an Engineer victory. Razor contributed two good hits for the Signal Corps, both of which figured in the scoring.

See-Saw Game Between K and L.

For the second time this season K and L companies mixed in combat for baseball supremacy. L Company emerging victor in the first part, and therefore, entered the game full of confidence. Company K, by a great batting rally, rather took some of the "pep" out of L Company, but, not dismayed, that company stamped the enemy in the third, and before the smoke of action cleared away, seven of the L gang crossed the platter. To make doubly sure, L scored another in the fourth, and the game appeared

## KAIMUKIS EXPLAIN THEIR DEFEAT BY PACIFIC TEAM

Sporting Editor Star-Bulletin: The Kaimukis and the Pacific baseball team met in a game on the Makiki diamond Sunday, in which the Pacific won out by the close score of 6 to 5.

The Pacifics claimed in the morning paper that they batted F. Camacho very hard. This cannot be true, for the Pacifics only gathered two hits off Camacho. Our regular catcher did not show up and we were forced to put in a sub catcher.

F. Camacho pitched great ball for the losers, sending 16 of the would-be stickers back to the water bucket. But the six errors made by the catcher would be enough to lose any game. Our catcher was responsible for every run scored by the Pacifics.

Slugging Star.

M. Camacho was the real star of the day for the Kaimukis, knocking two triples, a two-bagger and a single out of four times up.

The Kaimukis tied the score in the ninth inning when Hagglund knocked a two-bagger with a man on second.

In their half the first man up for the Pacifics got a pass to first. The next two batters reached first on the catcher's errors. With the bases full and no outs the next batter knocked a grounder to the third baseman, who threw to home, forcing the runner on third out. On this same play the catcher, instead of holding the ball, threw it to first. The runner on third seeing this, began running home, but the first baseman threw to the catcher, who was too slow, and the runner scored.

And this is how we lost the game.

J. CAMACHO.  
Captain of Kaimukis.

## INTERSCHOLASTIC LEAGUE STAGES TWO GAMES TODAY

Won.	Lost.	Pct.
St. Louis College	4	0 1000
Kamehameha	3	2 600
Punahou	2	3 400
McKinley	2	4 333
Mills	2	4 333

Games today—Kamehameha vs. Mills at Kamehameha field at 4 o'clock; Punahou vs. St. Louis at Athletic park at 4 o'clock.

Punahou school will make an effort to down St. Louis at Athletic park this afternoon, and Mills will invade the enemies' territory in an attempt to win and jump to third place in the race. In the first game St. Louis appears to have the edge, while the second contest looks like a pitchers' battle between Kakaaka and Ahn Soon Nam.

On ice when, in the sixth, K Company garnered three markers with no outs and one man on base, but L tightened up and prevented further scoring in this inning and the rest of the game. This was a most interesting game, though the score may seem large, but outside of the three innings one side or the other accumulated their runs, it was an air-tight battle. Simmons and Amama twirled the better, between the two allowing but four hits, and had they given a few less bases on balls, less hit batsmen, etc., they would have emerged an easy winner.

Luther pitched a good game for L Company, outside of the second and sixth innings, and at that should not have been scored on had his support been a trifle better at these particular periods.

Both Whitaker and Ostendorf handled their battery mates well, while Sweeney, Herber, Pike, Simmons and Amama wielded the stick with effect. A running catch by Woods was the fielding feature of the game.

## OAHU LEAGUE TEAMS PLAY ON SATURDAY AFTERNOON AT PARK

New Schedule Gives One Junior League Game and One Oahu League Contest on Saturday Afternoon—Nipponese and Chinese Play Opening Game Sunday Afternoon When 25th Inf. Meets Chinese Seniors—Fans Want Present System

New Schedule of Games.  
Saturday, 1:30—Punahou vs. St. Louis—Junior League.  
Saturday, 3:30—St. Louis vs. Honolulu—Oahu League.  
Sunday, 10:00—Filipinos vs. Braves—Junior League.  
Sunday, 1:30—Nippon vs. Chinese—Junior League.  
Sunday—3:30—25th Infantry vs. Chinese—Oahu League.

Realizing that the fans of the city would like to see the Junior League players in action, and at the same time watch the work of the professionals, Manager Ben Hollinger of the Oahu League has made arrangements with the managers of the Junior League whereby the juniors will have an opportunity to play in the opening games of the program at Athletic park.

Many of the fans of the city requested that the junior players be given the first game, and also asked that the Oahu League schedule a game for Saturday afternoon. After a conference with the managers of both leagues Ben Hollinger announced that the plan would go into effect on Saturday.

Juniors Make Hit.

The junior players have been playing bang-up ball, and the extra inning games and ninth inning rallies have caused the spectators to look upon the juniors as the real thrill furnishers in baseball. The junior players are confident that they can show up the Oahu League stars in some respects and will join heartily in the movement to promote better baseball here.

Many of the fans have asked why some move wasn't made to develop the younger players. Here is the move, and even the most optimistic did not believe that the class of ball would reach the standard that it has. The fans have watched the Oahu League players in action and know what they can do. Now they will have an opportunity to watch the future greats.

Coach Youngsters.

As a move to get back of better baseball the men who are working for the betterment of the game have arranged to look after the youngsters, give them tips on how to make plays, and train them for a future career on the diamond. "Kelley" Henshaw and Walter Arnsbrite will take the Punahou team under their wing, Henry Chillingworth has stated that he will be pleased to look after the Nipponese, Lang Akana has consented to tutor the Filipinos, Moriama will help the St. Louis Juniors along the way, and Kam Yen, Kai Luke and the seniors of the Chinese team are already at work with the Chinese juniors.

Big League Here.

For the Saturday's program the Oahu League will stage a game between the Honolulu and St. Louis. Bill Janssen will go on the mound for St. Louis and Paresa may send in a dark horse to down the Saints. There is a big southpaw pitcher in the city who once played on the coast and Paresa is angling for this star. If he lands him he figures that the game is already won, but Janssen has been pitching great ball, and the Saints will go after the big leaguer if he steps on the mound Saturday afternoon.

In the opening game the St. Louis Juniors will meet the Punahou team, and if the fans do not see some classy fielding on the part of the St. Louis infield, then they will be off color. This team has proved to be a popular one, as they have played a 12 and a 15 innings game for the first two

starts. Punahou will have a strong team with Girdler, Littlejohn, O'Dowda, Zabriske, Keppeler, Hoogs, Noble and other stars.

After 25th Infantry.

On Sunday afternoon the 25th Infantry will meet the Chinese team. Last Sunday the Chinese blanked St. Louis and Luck Yee pitched great ball. These two teams are great rivals and the game should be an exciting one. The 25th Infantry has still a clean record, and many fans believe that they will keep it, but something is going to happen soon, and it may be on Sunday. Rogan may go on the mound to stop the Chinese.

In the first game the fans will have an opportunity to watch two of the best fielding teams in the city, when the Nipponese and Chinese clash in a hard battle. These two teams are looked upon as having a good chance for the pennant this year, and the game on Sunday will give the fans an idea of how the juniors battle. "We are doing our best to make good baseball here," said one of the players, "and when the game is called on Sunday we will not disappoint the fans."

On Sunday morning the heavy-hitting Filipino team will meet the Braves who defeated the Hawaiis last Saturday. This game should be a banner one from a hitting standpoint, as both squads have natural hitters on the team. Nelson will pitch for the Braves and Laurna will take the mound for the Filipinos.

## ATHLETIC EVENTS FROM SCHOFIELD BARRACKS

On Thursday afternoon the newly organized Army polo team played seven periods of fast polo against two distinct second teams. The second teams were given a handicap of 30 goals and scored but once against the first team, making their total score 21. The first team scored 20 goals. Haverkamp was switched to No. 1. Beard played 2, Herr 3 and Hoyte 4. This new combination worked to perfection and is probably the one that will be maintained throughout the season.

Company K Champions of What?

Word has been received that Company K defeated the 159th Company of Coast Artillery on Thursday in Honolulu in a baseball game supposed to be for the company championship of the island. Company K can do all the crowing they desire downtown, but there are plenty of baseball nines at Schofield that will call their bluff.

Battery A Defeats Battery D.

In the Field Artillery league, Battery A defeated D Battery on Wednesday afternoon, 7 to 3. A Battery broke up the game in the seventh when they hit Czernicki all over the lot and scored five runs.

Tomorrow afternoon after the regular game the non-commissioned staff of the 1st Field Artillery will cross bats with the band. There are just nine men on the staff, so that they will all be called into service. With fast men like Sergeant Fisher, Snyder and Walsh on the staff nine, the band will have to go some. The game will be played at catch weights and limited to about three chukkers.

PUNAHOU VS. ST. LOUIS.

Punahou meets St. Louis at Athletic Park this afternoon at 4 o'clock. Punahou has been working hard to be in condition to meet the champion collegians today for they were very unprepared in the first game, which St. Louis won.
